

"Helena"

Cutteryacht 1220 Grand Luxe 4 persons

This well-equipped exclusive yacht perfectly accommodates two couples or a family with two children. The aft quarter houses a spacious free-standing double bed and a separate roomy cabin with shower and toilet. The fore of the vessel contains a bedroom with two single beds and adequate storage space, as well as a spacious bathroom with shower, washbasin, and toilet. The warm and cosy lounge, furnished with a sizeable U-shaped bench and a large table, offers a magnificent view of the surroundings. Furthermore, the Helena comes equipped with a roomy luxury galley fully furnished for four persons. The helm position is outfitted with an XL cabriolet tent which covers the entire after deck. This is ideal for lounging in the evening as it comes with an additional built-in heating. There are also adjustable chairs with cushions and a table. A staircase leads to a swimming platform with bathing ladder and outdoor shower. Naturally, this yacht is also equipped with powerful bow and stern thrusters. In short, this yacht guarantees a wonderful and carefree boating holiday.
